**Date:** 7/10/2008 8:01 AM  
**Subject:** Re: Lila seeps and springs

That is correct...the survey was conducted on April 11 and 12, 2008. No new seeps or springs were identified.

>>> Jim Smith 7/9/2008 4:26 PM >>>

I no longer have the e-mail (I think it was from Pete), but we were informed that UEI did the survey.
